6.6 Technical Specifications

6.6.1 Rules

The competition will be held in compliance with the IAAF rules (as given in the IAAF Competition Rules 2019 Tec Handbook).

6.6.2 Call Room

Call Room 1 is located for all events, except for the throwing and road events in the warm-up stadium of CUS Napoli. It will be clearly sign-posted. Athletes will be escorted to Call Room 2 by buses accompanied by judges and volunteers.

For the Throwing events a Sub Call Room 1 will be set up at the exit of the Collana Stadium. From there the athletes will be escorted by bus to the Call Room 2.

For the road events the call room will be set up near the start area.

It is the responsibility of the team managers to ensure that their athletes are aware of the last check-in times for entry to Call Room 1. Athletes arriving late may be excluded from participation in the event.

The first call will be announced on an information board.

Athletes in combined events need only report to Call Room 1 before their first event in each session (morning and afternoon). Before each day, the Combined Events Referee will provide information on when to enter Call Room 2.

Call Room 2 will be located at the end of the indoor warm-up area close to the 100 m start at track level and is the last checkpoint before competition. From Call Room 2 the athletes will be escorted to the competition site to be there according to the following schedule:

Events	First Call (minutes)	Last Call (minutes)	FOP (minutes)
Hurdles	35	25	15
Other Track	30	20	10
Pole Vault	70	60	50
Other Fields	50	40	30
Relays	35	25	15

Note: Those times may be changed for qualifying due the number of entries.

Judges will check the following in accordance with IAAF Rules:

Competition Bibs (Competition rule 143.7)

Shoes and Spikes (Competition rule 143.2 - 6)

Uniforms (Competition rule 143.1)

Bags (identification on and content)

Any other kind of advertising

Refreshments (still water) and toilets will be available close to the both Call Room.

Coaches, team officials, physiotherapists and team physicians are not allowed into the Call Room.

Personal belongings (video cameras, tape recorders, radios, CD players, radio transmitters, MP3/MP4, cell phones or similar devices) will not be permitted in the infield as per IAAF Rule 144.2. Competition officials in Call Room 2 will confiscate all items not authorized by IAAF Regulations. Athletes will receive a receipt for any such items. Upon presentation of this receipt, the athletes will be able to collect such items from a desk located in the Kits Collection Area (in the post event control center) once their event has finished. Items, which were not collected at the end of the day, will be transported to the TIC.

A detailed list of Call Room times will be handed out at the TIC of Stadium day by day. Team Leaders must inform all their athletes about the times at which they must report in Call Room 1 and on the procedures to be followed in Call Room 2.

Accreditation passes will be collected by call room officials and will be returned at the Post Event Control Room.

Athletes may only leave Call Room 2 to enter the competition area. Once athletes enter the Call Room and until the end of the event they may only leave Call Room 2 or competition area with permission and accompanied by an official. For Call Room Procedure for Combined Events, please see "Combined Events".

6.7 Competition Preparation for the field events

Each participant in throwing events may have two preparation trials, taken in the competition order and strictly supervised by the judges.

In the remaining field events, the practice trials will be supervised by the relevant judges.

Only official markers provided by the CO will be allowed for marking the runways. Once the practice jumps/puts/throws for the final are finished, participants will be asked to stand in the order of the competition, for the presentation.

Presentation of the participants in track events will take place just before the start of each race.

For the relays athletes may use only official check mark tape (one per team for each takeover zone) offered by the Umpires at the take over zones.

6.7.1 Starter's Commands

The starter's commands will be given in English.

The starter's command for the distances up to and including 400 m and 4x400 m relay are:

- "On your marks"
- "Set"
- Fire of the gun

For distances of 800 m and over, the commands will be:

- "On your marks"
- Fire of the gun

Microplus will be used at the Athletics Events of Universiade Napoli 2019 ~~Shenzhen 2011~~. These blocks have a false start detection system and are linked to the false start console.

Timing: The official timing will be provided by Microplus and will be displayed on the official electronic timing instrument and photo finish cameras provided by Microplus. For all races of 800 m or more, the elapsed time will be displayed on electronic timers located at the end of each straight.

6.7.2 Event Presentation Format

Prior to the finals, athletes will be introduced to the spectators individually in the same order that they will compete.

The winner will also be permitted a lap of honour.

6.8 Leaving the Competition Area

An athlete may only leave the competition area when accompanied by a judge. The intention has to be communicated to the Referee.

After the competition, athletes leave immediately through the mixed zone, located near the finish line. The exit route passes the interview cameras of the TV, then through the radio interview area into the mixed zone. The clothing baskets will be brought to Kits Collection Area at the Post Event Control Room.

Athletes, competing in field events, who have reached the qualifying standard, may leave the competition area immediately accompanied by the judge.

In the finals of the vertical jumps, athletes who have been eliminated may leave the competition area immediately accompanied by the judge.

A priority to interview the athletes goes to the official media department of Universiade Napoli 2019 and host broadcaster, whose journalists will be easily recognized by their uniforms.

Medalists and their coaching teams are obliged to attend a press conference should there be a request from the organizer. If so, the request will be officially handed in to the Head of the Delegation by a Press Center representative.

6.9 Post Event Control

Baskets with personal belongings will be delivered to the athletes at the Post Event Control Room (Kits Collection Area).

Accreditation passes will be returned to athletes at this area.

The items confiscated at Call Room 2 will be returned at this area

Doping control escorts will complete the formal paperwork with any athletes who have been selected for testing.

Athletes who have placed on the first, second and third places will be accompanied to the Awards Ceremony.

6.10 Exclusion of Athletes

As set out in IAAF Competition rule 142.4, competitors will be excluded from all further events in the Universiade, including relays, in the following cases:

- If their participation in a final was confirmed, but they failed to take part without giving a valid reason. The reason for not participating must be submitted to the TIC prior to the Call Room deadline for that event.

- If they qualified in the preliminaries but failed to take part in the next round without giving a valid reason. The reason for not participating must be submitted to the TIC prior to the Call Room deadline for that event.

The justification of the reason for not participating in all cases must be approved by the Technical Delegate.

6.11 Combined Events

Competitors taking part in combined events have only to report to Call Room 1 and 2 before the start of first event of the 1st and 2nd day of competition.

For the others events procedure for the entry into the Stadium will be held in rest and waiting room.

Before each other event, the Combined Events Referee will provide information on when to enter Call Room 2.

- A resting area for the competitors taking part in combined events will be provided at track level, where athletes can rest and wait for their next event. As the presence of the athletes in this room between events is not obligatory, all athletes must report to this room before the start of an event to undergo their final check in Call Room 2.
- Fruit, energy bars, sandwiches and drinks will be provided in the resting area. Toilets and showers facilities will also be available.

Access to the combined events resting area is limited to the competitors and up to one other accredited person per athlete (coach, doctor, etc.) who are in possession of the appropriate combined events resting area pass. These passes can be distributed at the TIC in the Stadium the day before the start of each combined event competition.

- Massage table, fruit, energy bars, sandwiches and drinks will be provided in the resting area. Toilets and shower facilities will also be available.

Intermediate results and scores will be displayed in the rest room area after each event.

6.12 Road Races

The Half Marathon course will have 3 laps (7km each). The distance in kilometers shall be displayed to all athletes.

The auxiliary Call Room will be located at the start zone near the start line of the ½ Marathon Area.

The runners must report to the Call Room 30 minutes before the start and 10 minutes prior to the event athletes must report to the start line.

The transponders will be distributed at the Call Room tents.

Refreshment stations shall be provided at approximately every 5 km and drinking/sponging station only for water shall be placed at 7.5km, 12.5km, 17.5km.

There will be a mist station located slightly off the racing line. A mist station consists of a shower-like apparatus releasing a fine spray of water from above. Participants can choose whether or not to use the Mist Station. Signs indicating the upcoming Mist Station will be displayed 50m before the station.

Each of these stations will have three areas:

- Personal refreshment – red table
- CO refreshment – blue table
- CO water – white table

The personal refreshment for the ½ M and RW must be handed to the SIC on the day before the events by 19:00 with clearly displaying the following information:

Athlete's bib number, 3 letter code of the country abbreviation, the refreshment point (km) where the refreshment has to be handed out.

The CO will provide bottles for personal refreshment. The bottles will be distributed at the SIC.

The CO will provide for refreshment water, isotonic beverages, sugar

Drinking/sponging station will be provided with water and sponges.

It is prohibited to receive food or drinks that are not supplied by the refreshment stations.

One ambulance car will follow the runners and first aid stations will be at every 3 kilometres.

The toilets (WC) will be situated along the race and will be clearly identified.

The 20 km Walk will have 20 laps. The circuit is 1 km each. The distance in kilometers will be displayed to all athletes.

The Auxiliary Call Room will be situated near the start zone in the Universiade Road Race Walking Area.

The athletes must report at the Call Room 30 minutes before the start.

Posting boards shall be placed on the course to keep athletes informed about the number of Red cards for each athlete.

The personal refreshment may be handed to the athletes by their coaches at the refreshment station. A maximum of 2 coaches per country will be allowed to the refreshment station. A specific accreditation pass will be distributed to the coaches at TIC 1 day before the competition.

The CO will provide bottles for personal refreshments. The bottles will be distributed at the SIC.

The CO will provide for refreshment water, isotonic beverages, sugar.

Drinking/sponging station will be provided with water and sponges.

It is prohibited to receive food or drinks that are not supplied by the refreshment stations.

There will be a mist station located slightly off the racing line. A mist station consists of a shower-like apparatus releasing a fine spray of water from above. Participants can choose whether or not to use the Mist Station. Signs indicating the upcoming Mist Station will be displayed 50m before the station.

The toilets (WC) will be situated along the race and will be clearly identified.

6.13 Results

The official results will be displayed on the stadium scoreboard.

All the results, as well as the next day's program, will be made available on the notice-board in the TIC at the San Paolo Stadium.

The same papers will be available after each day's session in the Sport Information Center at the Universiade Village.

The results will be published in Italian and English.

Public announcements will be made in Italian and English.

6.14 Advertising

No form of advertising, whether commercial or otherwise, may appear on sportswear or accessories, or on any article of clothing or equipment whatsoever used by the participants in the Universiade except for the manufacturer's logo or trademark, in conformance with IAAF Advertising Rules and Regulations.

6.15 Timing and Scoring

Microplus will cover Timing & Scoring and the On Venue Results system. Start lists and Results of each event will be displayed on the public scoreboard at the San Paolo Stadium. There will be five field scoreboards showing results on the competition area, four Electronic Distance Measurement (EDM) / Video Distance Measurement (VDM) systems, two Wind Measurement and photo-finish systems.

Half Marathon and Race Walk Events:

A transponder timing system will be used to time each competitor. Each competitor will carry a small, waterproof transponder throughout the competition. In the half marathon, mobile marathon clocks will display the race time for the Men and Women events respectively.

6.16 Coaching Zones

To allow communication between athletes and coaches, Coaching Zones will be located in designated areas in the front rows close to the field events. Specific passes and tickets for each field event will be distributed by the TIC to the teams, according to the Final Confirmation. There will be one ticket per athlete competing. The ticket is only valid when accompanied by a team accreditation, this accreditation needs to be visible at all times.

6.17 Security

The organizers' instructions must be conformed to in all areas.

An accreditation card must always be worn. The loss of the accreditation card has immediately to be reported to the Team Attaché. Team Attaché or TIC should be also contacted when it comes to Lost and Found Property. If necessary, the police can be contacted through the TIC at the Stadium.

Technical Meetings shall be held appointed by FIDAL in accordance with the Regulations for the 30st Summer Universiade Napoli 2019.

- There shall be a Technical Committee (CT) for each sport in the programme of a Summer Universiade which shall consist of:
- one (1) or, if designated, more FISU Technical Committee Chair (s) who will chair the CT (who shall be a member/members of the CTI-UE for the sport concerned);
- one (1) representative of the Organising Committee for the sport concerned;
- the Technical Delegate of the appropriate NSF of the organizing country;
- the Technical Delegate of the appropriate ISF;
- additional experts who may be appointed to assist the Technical Committee as appropriate.
- The Technical Committee will be assisted in its work by adequate personnel.
- The Organising Committee shall appoint one administrative secretary to the Technical Committee who shall take the minutes of all meetings.
- No more than two (2) members of the CT should be of the same nationality, not including the FISU Technical Committee Chair(s).

During the days prior to the start of the sports events for which s/he is responsible for, the FISU Technical Committee Chair(s) shall convene the following meetings:

- the meeting of the Technical Committee, which the staff members of the Organising Committee for the sport concerned may also attend as observers;
- the first (1st) General Technical Meeting, to which the members of the Technical Committee and a representative from each country competing in the sport concerned shall be invited.

The first (1st) meeting of the Technical Committee shall:

- prepare the first (1st) General Technical Meeting;
- define the criteria to set up a jury of appeal (if appropriate according to the rules and regulations of the ISF);
- decide on the appointment system for technical officials (TOs);
- approve the detailed programme for their sport;
- propose the nomination of additional experts to assist the Technical Committee as appropriate.

The first (1st) General Technical Meeting must:

- approve the daily timetable for their sports;
- appoint a jury of appeal, if appropriate, according to the rules of the ISF of the sport concerned.
- take, if necessary, the emergency measures in order to ensure the smooth technical running of the events;
- confirm the official list of the competitors who will take part in the competitions. The Head of Delegation or his/her representative shall confirm the attendance of their country's athletes for the sport

- concerned by signing the said list and, if required, by filling in an entry form. No changes shall be made to the list after the General Technical Meeting.
- Exceptions shall only be permitted if stated in the technical regulations of the sport concerned.
- This entry form shall contain the accreditation card number attributed to the participant by the CIC, the given name, the family name and the competitor's number.
- The competitors that are not approved by the CIC will not be authorized to take part in the competition.

The Technical Committee is responsible for determining the appointment system of technical officials for each competition.

Before the end of the Summer Universiade the members of the CT (cf. Art. 3.5.1) shall meet to make recommendations for the future organization of their sport.

The Chairperson of the CTI-UE shall have the right to attend all meetings of the Technical Committees.

The FISU Technical Committee Chair(s), prior to the start of the sport for which s/he is responsible for in the Summer Universiade, is/are obliged to:

- maintain close cooperation with the Chairperson of the CTI-UE and with the representative of the Organising Committee in the CT;
- ensure that the regulations of the ISF concerned are observed;
- inspect the sport facilities and the equipment to be used during the competition;

gather exact information concerning:

- the number and the level of performance of participating competitors or teams;
- the number and qualification of international technical officials that are proposed by the participating delegations;
- the draw system.
- prepare the CT meeting (cf. Art. 3.5.2). In agreement with the members of the CT, s/he shall prepare the proposals for:
 - the appointment of a jury of appeal, if appropriate according to the regulations of the ISF;
 - the nomination of additional experts to become members of the CT, if appropriate;
 - the appointment system for technical officials for each competition.

At the end of the competitions of the sport for which s/he is responsible, the FISU Technical Committee Chair(s) has/have to sign the complete protocol of results produced by the Organising Committee (cf. Art 4.8.e) in one (1 official) authentic copy and submit it to FISU no later than 48 hours after the end of the competitions:

After the Summer Universiade, each FISU Technical Committee Chair has to present a report on the organisation of the event including recommendations for the future Summer Universiade.

9 ITOs and NTOs

Technical officials shall be appointed in accordance with the Regulations for the 30th Summer Universiade Napoli 2019.

9.1 Nomination International

Technical officials are nominated and selected by the FISU Technical Delegate and IAAF in collaboration with the OC and the NSF. Travel expenses, full board accommodation and the per diem according to the FISU-ITF Partnership agreement are to be borne by the Organizing Committee. The OC and the NSF will appoint NTOs to complement the team of technical officials required for all sports.

10 Doping Control

10.1 General Information

Doping Control during the Napoli 2019 Universiade will be strictly conducted by the Organizing Committee according to WADA and FISU regulations in order to ensure a fair competition and promote good sportsmanship. Doping Control will begin from the opening date of the Athletes' Village and last until the end of the Universiade. Participating athletes must abide by the relevant regulations and follow given guidelines when they have been selected and notified for testing. Any athlete who refuses to undergo testing, or interferes with the testing process, will be considered to have committed a doping violation and be subject to disciplinary action.

10.2 Doping Control Station (DCS)

Doping control stations are designed in accordance with WADA and FISU regulations. Samples for testing are collected in the Doping Control Station of each competition venue and can be collected at the Doping Control Center (Doping Control Station) located within the Athletes' Village.

10.3 Athlete Selection

The FISU Medical Committee will select athletes for testing. Either rank in a competition will be taken into account, or random selection and target testing will be applied.

10.4 Accompanying Persons

Athletes may be accompanied by an additional person (coach, trainer, team doctor, etc.) and an interpreter if desired.

10.5 Reporting to Doping Control Station

The athlete must report to the doping control station in a reasonable amount of time from selection. The athlete will be allowed to attend ceremonies, press conference, etc., as long as they are accompanied by their chaperon.

10.6 Sample Collection

Athletes selected for testing will be notified immediately following the competition and will be under constant visual observation by a chaperon until they enter the Doping Control Station. At the station, sample (urine and/or blood) will be collected in a vessel, then sealed and submitted for transportation to the WADA approved laboratory under the supervision of a Doping Control Officer.

10.7 Athletes Obligation

The athlete must have their Accreditation with them at all times.

The athlete must report all medications taken in the prior month.

The athlete must present their TUE Document if he/she has one.

10.8 Testing Organization & Result

Collected samples will be analysed usually within 48 or 72 hours of collection at a WADA-accredited laboratory "Tokyo Japan, Mitsubishi Chemical Medience", and results will be directly notified to the FISU Medical Chair. Athletes who test positive for banned drugs and fail the doping test may be subject to disqualification and disciplinary action.
